Amercanex On the Road

The Amercanex team have officially earned their title as “Road Warriors” this month. After the Cannabis World Congress Conference in New York, Amercanex CEO Steve Janjic flew to Toronto to join President Dennis Garces in several discussions with Canadian government and regulatory officials. He then headed to Sacramento to join COO Michael Herron for a meeting with the California Cannabis Industry Association (CCIA).

Mike joined Steve in California from Washington DC, where he and VP of Legislative Affairs Elaine Geller had very successful meetings with more than 18 Senators and lawmakers about the cannabis industry. Mike and Sales and Marketing Consultant Sam Ferreira then sat down with the California Growers Association to discuss various initiatives.

A Message from the CEO

Amercanex has certainly been in the news recently. At our recent conference in New York, I was lucky enough to be interviewed by Jesse Watters, the Fox News host of Watters' World. He loved my socks!

Then a week later, an article I wrote titled "Why the Cannabis Industry Will Soon be Bigger Than the NFL" was published in the *NY Daily Post*. Inc.com used my advice for "22 Simple Daily Rituals for Success." We were just featured on the cover of *CannaInvestor* magazine and will be in next month's issue of *The Technology Headlines* magazine.

There's a lot of news, some good and some bad, surrounding the legalization of cannabis. And that's just like any other industry. What we're trying to accomplish here at Amercanex is to help both the public and the government find a healthy, safe and secure solution for a prosperous cannabis industry. When that happens, it will be the best news we could get.

Sincerely,

Steve Janjic, CEO

at the Lepp wedding.**

On June 23, Steve, Mike and their wives attended the wedding of legendary cannabis activists Eddy Lepp and Heidi Grossman in Sacramento. The event began with a ceremony before celebrating with the first annual Love Fest and Green Heart Awards. Amercanex was given an award for “Best International Exchange Excellence in Kindness.”

The event was a great way to wrap up their month on the road.

Mike and Elaine met with a whirlwind of Senator and staffers for Cory Booker, Sherrod Brown, Chuck Schumer, Bill Nelson and Al Franken. They also met with Congressmen and staffers for Scott Taylor, Rosa DeLauro, Debbie Wasserman
